

*“We are pleased to partner with Project Heart Start in our schools. This teaches our students, staff, and teachers a real life tool that is will be helpful to them in all aspects of their life. We want to continue to grow the program and get more students, staff and teachers trained by Project Heart Start.”*

- Superintendent Winston Brooks, Albuquerque Public Schools

*“.... at first our nurses were hesitant but then pleasantly surprised at how easy it was to teach. Now we are getting ready to instruct another group the students and the nurses are looking forward to it.”*

- Tamara James, Director of Nursing, Hobbs Schools

*“Project Heart Start is a very positive and well received program in our district. Our students appreciate the knowledge that Project Heart Start gives them and feel empowered to save lives when and if the time comes. I encourage everyone to participate!”*

- Gary Schuster, Athletic Director, Gallup McKinley County Public Schools

*“We began our new Heart Start year with a bang! All staff at Rio Rancho High School were trained during our in service day and indicated that they had been waiting for a class like this for a long time.....”*

- Lee Carn, Nursing Coordinator, Rio Rancho Public Schools
